*Easements provide for pedestrian and dog team access, overnight camping, and nonlinear rights to access federally owned lands within Gates of the Arctic National Park across ASRC and Nunamiut lands.

Some limitations imposed on the overnight camping portion of the easements are that users may not camp within one-half mile of an active subsistence hunting camp, or camp for more than one night in the same site while on ASRC and Nunamiut lands.

These easements DO NOT apply to Native Allotments.
